Applicant has also been requested to submit substitute drawings in compliance with 37 C.F.R. §1.84 as a result of the Examiner's objections to the margins, under 37 C.F.R. §1.84(g). Applicant herewith submits five (5) sheets of drawings, complying with the margin requirements of 37 C.F.R. §1.84(g), to replace those originally submitted. Applicant hereby informs the Patent Office and the Examiner to which this application will be assigned that, in the course of preparing formal versions of the Figures 4, 5 and 6 originally submitted, several ministerial amendments have been made. In particular, several superfluous lead lines that previously lacked reference numerals have now been deleted. Additionally, a portion of Figure 5, previously illustrated in light-shaded lines, has now been deleted for clarity. Applicant submits that the above-identified amendments are consistent with and fully supported by the patent specification as originally filed. Accordingly, the amendments have not resulted in the addition of any new matter.

In addition to the foregoing, Applicant submits herewith the return copy of the Notice to File Missing Parts of Nonprovisional Application, along with the requisite oath or declaration surcharge and the statutory basic filing fee in the total amount of \$870.00, as set forth in 37 CFR §1.16(e) and §1.16(a), respectively.

Should anything further be required, a telephone call to the undersigned, at (312) 726-4000, is respectfully invited.

Respectfully submitted,
